

Emergency Sign-Out Procedures

In case of an emergency situation where students are released from school, the following procedure will be put into place so that parents may check out their children.

1. Student guardian lists will be obtained from the Emergency Container.
2. The front Visitor Parking Lot will be closed except for emergency vehicles.
3. Parents will be asked to park in the street on Del Valle or Santa Rita Road and proceed to the correct pick up location for their child. If emergency services close any street, parents will be asked to park at the Aquatics Park on Black Avenue and walk to campus.
4. Students will be asked to move into alpha groupings inside the stadium. Leaving the stadium will not be allowed. Vice Principals will go with their assigned portion of the alphabet.

A-G Ms. Stephanie Ceminski—Northeast Stadium Gate
H-O Mr. Rick Sira—Stadium Ticket Booth
P-Z Mr. Sebastian Bull—Southwest Stadium Gate

5. Teachers will move with the alpha groups for supervision, according to their last name unless otherwise assigned.
6. Students may only sign out with an AVHS staff member if their guardian is present. Guardians must sign their name on preprinted rosters from the emergency container.
