### About Axis Community Health

Axis Community Health, formerly Valley Community Health Center, offers medical, mental health, addiction counseling and health education services to all residents of the Tri-Valley. Founded in 1972 as a licensed nonprofit organization, Axis serves 20,000 community members annually through direct services and school and community based education, prevention and treatment programs. It operates medical clinics in Pleasanton and Livermore as well as mental health programs and counseling and WIC services. Axis is supported by local, state and federal funding, foundation grants, client revenues and community donations. It is not affiliated with ValleyCare Health Systems.
