

# ROP Information Night

**Amador Valley High School Media Center  
1155 Santa Rita Road, Pleasanton**

**Thursday, February 17, 2005**

**Drop-in hours from 5:30 – 7:00 p.m.**

Stop by to find out about Tri-Valley Regional Occupation Program classes, meet the teachers, review student work, and ask questions. Learn how to enroll, where the classes are located, and how students receive high school credit. Staff will also be available to address questions about ROP options for **alternative graduation credits, college credit-by-exam (replaces articulation), AP (Advance Placement) and UC “a-g” classes.**

Tri-Valley ROP offers a wide variety of classes including:

Environmental Science  
Landscape Design/Nursery Practices  
Developmental Psychology of Children  
Computer Networks and Systems  
Microsoft Office Applications  
Small Engines/Motorcycle Technology  
Auto Collision Repair  
Auto Service and Maintenance  
Auto Machinist  
Economics of Business Ownership  
Marketing  
Crime Scene Investigation (CSI)

Forestry/Natural Resources  
Visual Communication  
Optics and Lasers  
Web Page Design  
Criminal Justice  
Health & Society  
Nursing Assistant  
Health Occupations  
Water Pollution Control  
Cosmetology  
Manicuring  
Television Production

ROP classes use applied academics to help students see the connection between school and careers. In many cases, ROP classes are part of school site pathways and/or academies. For additional information contact the Career Center at your school or call the ROP Office, 925-455-4800 X 109.

**Join us on February 17<sup>th</sup> to learn the advantages of taking an ROP class.**
