

Donlon Parent Faculty Club

Fall/Winter 2011

Our Donlon Parent Faculty Club is a bona fide 501(c)(3) organization which qualifies for matching company gifts. Many employers sponsor matching gift programs and will match contributions made by their employees to the Donlon Parent Faculty Club. Donations eligible for employer matching gift programs include **Classroom Donations, Science Donations, Music Donations, PE Donations, and Dollars for Donlon**, to name a few.

If you made any of these donations, you are encouraged to check with your Human Resources Department to inquire if your employer has a Matching Gift Program in place. It's that easy!

Any questions, please contact Michelle at chellelemus@comcast.net. Thank you for submitting these requests to your employers!!
