

Pleasanton Unified School District

2010-11 School Year

Dear Parent/Guardian:

Your child's school **does not** provide medical insurance coverage for school accidents. This means that **you are responsible** for your child's medical bills if he or she gets hurt during school activities. Student accident/health insurance plans are offered to help pay those bills.

Many coverage options are available. The Student Health and High Option 24-Hour Accident plans are especially recommended for those students with no other insurance because they provide the most help when injuries occur. Student Health Care covers illness as well as injury, 24 hours a day. Although **these plans are not designed to pay all the bills from an accident or illness**, they do provide strong benefits at a low cost.

If your child does have other health coverage, student insurance may also be used to help pay those charges not covered by other insurance.

The brochure is available electronically at www.k12studentinsurance.com or a hard copy is available in the school office. Please review the brochure carefully. If you have any questions, or need help with your application, please call the plan agent, Cheryl Norris, United Healthcare, at (800) 237-0903, ext. 6229, or her assistant, Theresa St. Phillippe, at ext. 4208. Bilingual representatives are available for parents who need assistance in Spanish at (800) 767-0700.
