

## **SCHOOL DAY - PUPILS**

Ordinarily, pupils are requested not to come to school until approximately ten minutes prior to the opening of school.

Pupils shall not arrive at school earlier than a maximum of thirty minutes before the time set for the beginning of classes, except as follows:

When earlier arrival is made necessary because of bus schedules.

When pupils are requested to come earlier for participation in school activities.

When the parent or guardian has applied for and been granted an exception by the principal.

Pupils shall be instructed to go home, or elsewhere as directed by the parent or guardian, immediately following the close of the school day unless attending a regularly-organized program of instruction, recreation or school activities which follow the dismissal of school or consulting with the teacher.

No deviation from the pupil's regular routine for leaving school shall be authorized by school personnel without written or verbal permission of the parent or guardian.

Pupils shall be required to remain on the school grounds while waiting for the school bus following dismissal.

Parents or others authorized to come for a child shall be notified before a pupil is sent home or elsewhere at other than the regular time of dismissal.
