

COMMUNITY RESOURCES

The Board of Trustees supports the judicious use of community resources to enhance the instructional program.

Volunteer Speakers

All requests by teachers for the use of community resources, including resource people not employed by the District, must be cleared through the principal.

Paid Lecturers

Special lecturers, when qualified in their subjects, may be employed to speak before classes and assemblies of pupils of the schools. The student body may pay for such lectures.

The principal of a school may request approval by the Superintendent for the District to pay such special lecturers. Those requiring payment by the District must be approved by the Board of Trustees in advance and shall be paid from District funds.
