### 2009-2010 Village High School Events

Dear Parents and Guardians,

Village High School is proud to provide the following extra-curricular opportunities for students in the coming school year. Because these events are voluntary and outside the regular program, students must pay fees to cover the costs. We do our best to keep costs at a minimum and realize that every family is facing financial issues with the current state of the economy.

We are providing a list of upcoming events with the approximate costs in case your family would like to spread out payments over the course of the year, rather than try to pay for everything at the end of the year. When making payments, it is important to let Denise know specifically which event or events the money is to go towards. We will keep a spread sheet with details as well as provide you with a receipt.

Date:	Event:	Approximate Cost:
May 29th	Prom	\$85
June 4th	Senior Trip	\$40
June 9th	Graduation Cap & Gown**	\$30

\*\*Graduation is a free event with each family receiving 6 tickets but each graduating student must buy a cap and gown in order to participate. The order must be placed by end of March to get them delivered in time for graduation.

I am interested in spreading payments for upcoming events over the year, and am including an initial payment for the following events:
