

## Village High School ALTERNATIVE EDUCATION

June 14, 2011

Dear Village Parent/Guardian:

Welcome to the 2011-2012 school year. The first day of school is **Tuesday, August 23, 2011**. All students should plan to arrive before our 8:30 AM start time for the **Welcome Back Assembly** in the Multi-Purpose Room. School rules and policies will be discussed at the assembly and schedules will be handed out at that time as well.

**Registration** can be accessed by going to the Village website, [www.pleasanton.k12.ca.us/village](http://www.pleasanton.k12.ca.us/village), and downloading the necessary forms. All forms must be filled out and returned to Kathy in the front office by the first day. Our first day of school will include an orientation for new students with goal setting and an explanation of Village's traditions, expectations, and policies. **Please note: students who are present for all of the orientation and who have all of their registration papers complete will earn ONE (1) elective credit.**

We invite you to stay involved with your student's education in one of several manners. First is **Back-to-School Night**, which will be held on **Thursday, September 22 at 7:00 PM**. Another way to get involved would be to join our School Site Council by filling out and returning the volunteer form found on our website. We are also looking for new parents to join our Village Parent Group. You can also stay up to date by joining our Facebook page, (Village High School, Pleasanton CA).

**Please remember that it is a new state law that all students have proof of a TDAP vaccination or they will not be allowed to start at Village.**

I also welcome your input, suggestions, and questions-- so please contact me at your convenience at [ggiglio@pleasanton.k12.ca.us](mailto:ggiglio@pleasanton.k12.ca.us).

Our staff is looking forward to a great year and is excited to be part of your student's "New Beginning" at Village High School.

Best wishes for the new year,

Greg Giglio  
Principal

Dana Chavez  
Vice Principal
