

Pleasanton Unified School District

Parent Connection

<https://sis.pleasanton.k12.ca.us/parentconnect/>

**Incoming 6th grade students and those new
to PUSD:
be sure to stop at the
Zangle station
during walk-through registration!**

Pleasanton Unified's Zangle *Parent Connection* offers web-based access to information about your student's progress. You will be able to view school news, attendance, schedules, grades, transcript history, testing information, progress toward graduation requirements, and assignments (for classes where the Zangle gradebook is used).

Parent Connection is a component of PUSD's Zangle Student Information System. Parents/guardians receive a confidential PIN (personal identification number) and password that will allow you to log in to the system and view your student's information. Your PIN and password must be picked up in person at registration. If you do not pick up the information at this time, you will need to email zanglehelp@pleasanton.k12.ca.us (allow 5 working days to receive your information).

Instructions on logging in and navigating *Parent Connection* will be included with your PIN.
